CHANGE Lingerie Opens After Hours for Mommy Groups

Here's an activity for your Mommy Group that is sure to be a hit - an after-hours lingerie party. After the joys of motherhood comes the delicious joy of some time for yourself with your friends, time to reconnect with your own needs, courtesy of CHANGE lingerie.

Located in Vancouver, Toronto and Montreal, CHANGE lingerie stores carry a gorgeous collection in a broad range of bra and panty styles AND with sizes galore to help you reconnect with the pleasure of that sensuous self that sometimes needs a little coaxing – and the right lingerie – to come into bloom.

CHANGE's professionally-trained staff will be available throughout the party to provide expert bra fittings and valuable tips on how to make sure you're feeling good and looking your best.

And there's more! A 10% discount off regular merchandise PLUS refreshments, munchies and some celebratory bubbly, courtesy of CHANGE, all to add to the fun!

Check www.change.com for a list of stores and reserve your Mommy Group After Hours Party by calling the store manager at the location nearest you.
