**Laboratoire Dr Renaud:
New Appointments Enable
North American Expansion**

MONTREAL, June 3rd 2010 – Laboratoire Dr Renaud's line of innovative, high-performance and safe skin care products will soon be widely available across North America.

The renowned cosmeceutical dermatology lab has expanded its sales organization with the recent appointment of seven highly talented and experienced individuals.

Jean Lalonde, Vice-President of Sales, has 20 years of industry experience in senior positions at G.M. Collin Skin Care and the renowned Abbott Laboratories. Mr. Lalonde has been selected as a member of the V.I.P. Presidential Who's Who for Business Achievement and the Stanford's Who's Who for Leadership.

Tony Bonavia, Business Development Manager for the Eastern United States, also has 20 years experience in senior positions at Chanel, L'Oréal, Dermalogica and G.M. Collin Skin Care.

Colleen Ford, Business Development Manager for the Western United States, is a licensed esthetician with a business degree who has 13 years experience with companies such as Obagi Medical, Randall International and Colorescience.

Other recent appointments include Technical Trainer Grace Burzese whose industry experience includes a stint as Medical Esthetics Consultant for Dr. Mullholland, a well-known plastic surgeon in Toronto and most recently technical trainer at Yonka Canada, as well as New Account Executives Mehnaz Ahmad, Mariella Comparelli and Jackie Bell, all experienced and professionally trained in esthetics in different sectors such as spas, hotel resorts and medispas.

Expansion of its merchandising & sales efforts across North America was made possible by the purchase last year of Laboratoire Dr Renaud by Valeant Canada, a division of Valeant Pharmaceuticals International.

About Valeant Canada

Valeant Canada is a division of Valeant Pharmaceuticals International (NYSE:VRX), specializing since 1973 in the manufacture, distribution and marketing of pharmaceutical products in neurology, psychiatry, pain management and dermatology.

About Laboratoire Dr Renaud

Renowned for its capacity to offer innovative skin care, Laboratoire Dr Renaud has been a leader in cosmetology for more than sixty years.

Manufacturing all its products in Canada for more than forty years, Laboratoire Dr Renaud relies on research and innovation to remain in the forefront of the industry with the highest performing products.
