

It's almost that time of year again and the HomeSense Online Showroom is ready with everything to get **back to business this September.**

Whether for a story on **dorm room decorating or home office essentials**, we've got your needs covered.

Visit **onlineshowroom.ca** (password fall2010) to check out our entire collection of home office and back to campus images. All online showroom images can instantly be downloaded in high or low res for your convenience.
